## MIKE CHRISTIAN

Mike Christian is the Founder of Risk Strategies, a leading national risk management and insurance brokerage firm. He founded the company in 1997 on the premise that an insurance brokerage could be a business where a focus on employee and customer needs would create value and success. He served as its Chief Executive Officer until 2019, then served as Chairman until this year.

Over the years, Mike was responsible for the development and execution of the company's business and growth strategy, recruiting, customer service approach, and mergers and acquisitions. He led the company from its start-up beginnings into a nationally prominent firm with 30 specialty practices offering comprehensive risk management advice and insurance and reinsurance placement.

A native of California, Mike attended the University of California at Santa Barbara where he majored in philosophy. He began his insurance career as an underwriter in California, and holds CPCU, CLU, and ARM designations. Before founding Risk Strategies, he was Managing Director for Alexander & Alexander/Aon and held various leadership positions at Jardine Insurance Brokers, including serving on its U.S. Board of Directors. He was inducted into the Insurance Business America Hall of Fame in 2020. Mike is on the board of the Council of Insurance Agents & Brokers, which is the leading advocate for commercial insurance brokers on both property/casualty and employee benefit issues, and is a board member of The Council Foundation.

A long-time Boston-area resident, Mike is known for his community service with non-profit organizations focused on children's causes, arts and entertainment, and education. For more than 25 years, Mike has served as Board President of Someone Else's Child, which supports youth causes throughout the United States, Central America, and Africa. He is the Managing Partner for Community Impact Ventures, a venture capital impact fund that provides financial support to social entrepreneurs and not-for-profit companies that have missions similar to that of Someone Else's Child. He also serves on the boards of Northeast Arc, Rwanda Youth Partners, Yiya Solutions, and Boston Explorers, a non-profit serving kids and teens in the Boston area.

Mike currently is Chairman of the Board of the Boch Center/Wang Theater, is on the board of the Folk Americana Roots Hall of Fame, and is a board member of the Point32Health Foundation.

We congratulate Mike on his many business and philanthropic accomplishments.
